Stachybotrys

Aspergillus

Penicillium

Cladosporium

Found:
Usually found on wet cellulose based materials such as drywall, ceiling tiles, chimney and plywood subflooring systems, between carpet and the floor.

Health Effects:
Some strains of *Stachybotrys chartarum* produce mycotoxins reported to be linked to health effects.

Acute Symptoms:
Mucous membrane irritation, flu like symptoms, and decreased respiratory.

Found:
Can be found in moist areas such as showers, wet basements, behind wall wallpaper, insulation, and carpet and drapes.

Health Effects:
Type I and II hypersensitivity reactions may cause allergic reactions in asthmatics and immunocompromised patients. Some species produce mycotoxins.

Acute Symptoms:
Mucous membrane irritation, flu like symptoms, coughing, sneezing. Reversal is rapid.

Found:
Commonly found in wet grains, cereal, cereals, vinyl wallpaper and cultured products and insulation.

Health Effects:
Type I and II hypersensitivity reactions may cause hypersensitivity pneumonitis and allergic rhinitis in susceptible individuals. Some species produce mycotoxins.

Acute Symptoms:
Mucous membrane irritation, flu like symptoms, coughing, sneezing. Reversal is rapid.

Found:
Commonly found on decaying plant material, leather, carpet tiles, and insulation. Common in both indoor and outdoor air.

Health Effects:
Type I and Type II hypersensitivity reactions including hay fever, asthma and hypersensitivity pneumonitis.

Acute Symptoms:
Mucous membrane irritation, flu like symptoms, coughing, sneezing.

Remove protective covering and affix slide. When placing sample, do not allow mold to touch the tape.

Remove to Expose Adhesive

Affix Sample 1 Here. Place sample mold side down.

Affix Sample 2 Here. Place sample mold side down.

Affix Sample 3 Here. Place sample mold side down.

Mail samples back to I.A.Q. by folding the entire kit along the creases and placing it in an envelope. DO NOT MAIL THE KIT WITHOUT PLACING IT IN AN ENVELOPE.

Limited Warranty: The Mold Test Kit is provided without any warranties or conditions, express or implied, including, but not limited to, warranties of merchantability or fitness for a particular purpose. Neither we nor our distributors shall have any liability to you or any other person or entity for any indirect, incidental, special, or consequential damages whatsoever, including, but not limited to, loss of revenue or profit, other commercial or economic loss, even if we have been advised of the possibility of such damages, or they are foreseeable. We are also not responsible for claims by a third party. Our maximum aggregate liability to you and that of our distributors shall not exceed the amount paid by you for the mold test kit.

Directions for use:

1. Tear along perforated lines to separate each slide. 2. Remove and discard protective covering. 3. Press sticky window against mold. 4. Affix sample in center section of kit.
